SANITIZED at the end of day

ChemTECH World Expo to be held On- ground

- Maharashtra Government allows organizing physical events
- Over 150 confirmed exhibitors for 30th edition of flagship event

We are pleased to inform, Chemtech will organise 30th edition of on ground ChemTECH World Expo from February 22-25, 2022 following the permission received from the Maharashtra Government to organise on ground exhibitions in Hall 1 of Bombay Exhibition Centre Goregaon (East), Mumbai, India.

The event has already been receiving overwhelming response as more than 200 exhibitors have already booked their stalls confirming their participation. The Exhibition

will once again bring together the stakeholders from the ecosystem of chemical processing & allied industries together, face to face during the on ground tradeshow in Mumbai. Take advantage of booking your stall early to get personalized visitor promotion plan, reach out to your target business visitors, get your preferred location and maximize your business opportunities.

22-25 February 2022 | Mumbai, India

EPC World Expo 2022 CAB meeting held in hybrid mode chaired by Mr B Narayan & Mr. Subramanian Sarma

- Megatrends & Technologies to take centre stage in conferences
- Common knowledge sharing sessions on Digitalization, Sustainability, Upskilling, Technologies & Geopolitical shifts
- Focused industries centric technical sessions on all 4 days
- Conference to be held in hybrid model

Mr. Subramanian Sarma, Whole time Director & Sr. EVP Energy, L&T in discussion with the members of advisory committee for EPC World Expo 2022

Contd on page 2

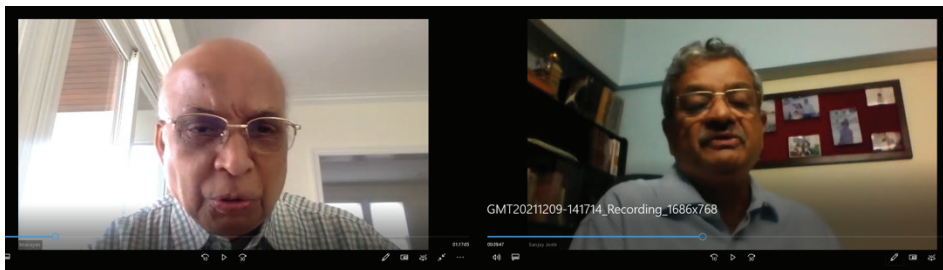

Contd from page 1

Mr. Subramanian Sarma chairs the CAB meeting for EPC World Expo 2022

Mr Subramanian Sarma presided over the meeting of central advisory board on December 9th, 2021 in The Orchid, Mumbai, to finalize the agenda for EPC conference scheduled to be held during on ground ChemTECH World Expo 2022 from February 22-25, 2022 in Bombay Exhibition Centre, Goregaon (East), Mumbai. 8 members of core committee of CAB attended the meeting in person. Mr. B Narayan, Group President, Projects & Procurement, RIL, Mr. Sanjay Joshi, Business Strategy Consultant, Aker Carbon Capture, Mr S Sankaran, Sr. Vice President Proposals, Petrofac attended the meeting virtually along with other members of advisory board.

During COP 26, India has pledged reducing gas emissions by 1 billion tonnes by end of this decade and become carbon neutral by 2050. This would require collective effort

(L – R) Mr. B Narayan, Group President, Projects & Procurement, RIL and Mr. Sanjay Joshi, Business Strategy Consultant, Aker Carbon Capture

of the industries rather than working in silos towards achieving the goal. Chemtech will organise common morning sessions on Megatrends that will drive the growth of the industry. These sessions will have broad scope with the aim to engage the business leaders & professionals from the ecosystem of industry at large and will focus on Digitalization, Sustainability, Workforce reskilling & restructuring of resources, Technologies & Geopolitical shifts.

Megatrends sessions will be followed by focused industry centric technical sessions during 2nd half of the day to enable the industry to deliberate over the enabling technologies &

discussing sector specific roadmap and setting short term goals for sustainable future growth of industry.

The conferences will be held in hybrid mode to invite strong participation of subject matter experts & business leaders from India & internationally as speakers and delegates to deliberate over the topical issues to simultaneously reduce carbon footprint & attain sustainable growth.

22-25 February 2022 | Mumbai, India

Exclusive Pavilion for Indo German Technologies by VDMA

Chemtech felicitates Mr. Suresh Prabhu for his immense contribution to the Nation & Industry

- Mr Suresh Prabhu urges the scientific pool to come together to develop 'Free to use by all technologies' to achieve emission goals
- Mr. R K Srivastava & Mr U K Bhattacharya address the dignitaries

Mr. Maulik Jasubhai presents memento to honour Mr. Suresh Prabhu for his immense contribution to the Nation & the Industry, Mr. U K Bhattacharya & Mr R K Srivastava in the frame

Chemtech hosted felicitation ceremony in the honor of Mr. Suresh Prabhu 6 Times Members of Parliament

(4 Times Lok Sabha and 2 Times Rajya Sabha) 10 Cabinet Portfolios & Former Global Brand Ambassador of ChemTECH for his immense

contribution to the nation & to the industry; and to celebrate the grand success of Oil Gas & Power. IE 2021, the online integrated international energy show held in October 2021.

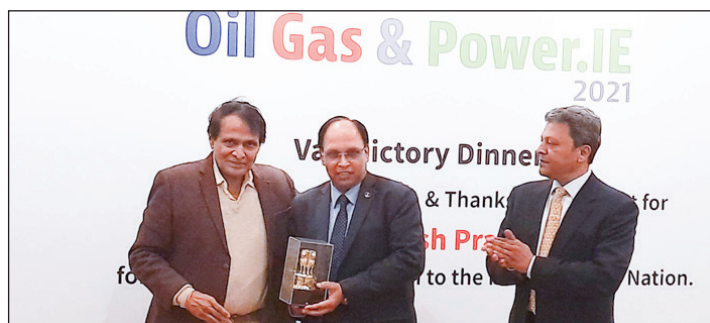

Welcoming the guests Mr. Maulik Jasubhai, Chairman & Chief Executive, Jasubhai group & Chemtech Foundation thanked

the Chairmen & Conveners for the their guidance and support for the overwhelming response from the industry.

Mr. Suresh Prabhu very fondly reminisced his association since late 90s with Mr. Jasu Shah, Founder Chairman, Jasubhai Group & Chemtech Foundation for his various feats and selfless work both socially and to catalyze the growth of Indian industry by putting it on a global platform. Amongst the various portfolios held by Mr. Prabhu, he shared that he enjoyed his tenure as the Union Minister for Power for being instrumental in introducing various reforms and policies for the power industry. He appreciated Chemtech's persistent efforts to bring together the energy industry together during Oil Gas & Power. IE 2021 and observed, addressing the climate emergency will require consolidated efforts by all the countries in terms of implementing

(L to R) Mr. Rajeev Mathur, Mr. A K Jha, Mr Suresh Prabhu, Mr U K Bhattacharya, Mr. Maulik Jasubhai , Mr. R K Srivastava & Mr. Hemant Shetty officially release Oil Gas & Power. IE 2021 compendium

clean technologies which may not be affordable for all. He suggested, "Globally countries should come together to create a scientific pool to develop 'Free to Use Technologies by All' & take real action to realize Net Zero target."

Talking about the paradigm shift in the energy industry Mr U K Bhattacharya, Director Projects, NTPC said, "So far power was following oil gas & coal as downstream industry which is now going to change as we move towards becoming hydrogen economy." Mr R K Srivastava, Director Exploration, ONGC Ltd in his address

congratulated Chemtech for bringing together the stakeholders of energy industry together as it was time to look at energy sector in totality.

More than 40 eminent dignitaries from the international embassies & industry attended the felicitation ceremony held on Thursday, 16th December, 2021 in New Delhi. The eminent guests included H.E. Mr. Hugo Javier Gobbi, Ambassador, Embassy of the Argentine Republic in India, H.E. Mr. Marten van den Berg, Ambassador, Royal Netherlands Embassy, Mr Cristian Valdes Carter, Director Innovation Norway India,

Commercial Counsellor Norwegian Embassy in New Delhi, Mr Tsuchiya Takehiro, Counsellor, Economic Section, Embassy of Japan, Mr Pankaj Kumar, Director Offshore, ONGC, Mr. Rajeev Mathur, President Growth & Policy, Cairn Oil & Gas, Mr A K Jha, Former CMD, NTPC Ltd, Mr. V R Sharma, MD, Jindal Steel & Power Ltd and more.

30th International Exhibition and Conferences

22-25 February 2022

Venue: Bombay Exhibition Center, Goregaon (East), Mumbai, India

Concurrent Events

Scope for ChemTECH World Expo 2022

- Plant Machinery & Industrial Consumables
- Engineering Consultants
- OEMs for Chemicals & Pharmaceutical Processing Equipment
- Metals & Metallurgy
- Bioprocessing Equipment
- Construction Services Providers
- Plant Maintenance Services Providers
- Logistics & Supply Chain Solutions Providers
- Instrumentation & Process Control
- Industry Automation (Process & Factory)
- Systems Integration & ERP Solutions Providers
- Water & Waste Water Treatment Consultants
- Environment Solutions Providers
- Waste Management Consultants
- Financial Institutions
- Fire & Safety Solutions Providers
- Material Handling Solutions
- Certification Bodies
- Welding Solutions
- Quality Health & Environment Solutions
- Analytical & Laboratory
- Packaging Materials, Machinery & Systems
- Business Consultants

Scope for Specialty Chemicals World Expo 2022

- Agrochemicals Intermediates
- Adhesives & Sealants
- Agrochemicals & Crop Protection
- Bulk Drugs & Intermediates
- Enzymes
- Colorants, Dyes & Pigments
- Cosmetics & Personal Care Ingredients
- Hygiene & Cleaning Chemicals
- Laboratory Chemicals
- Surfactants
- Water Treatment Chemicals
- Catalysts
- Electronic Chemicals
- Flavours & Fragrances
- Contract Manufacturers

Scope for Biopharma World Expo 2022

- Materials Processing
- Pharma Machinery
- Pharma Ingredients
- Plant Engineering, Process Plants & Equipment
- Laboratory & Analytical Solutions
- Process Measurement & Inspection
- Sterilization & Clean Room Solutions
- Biopharma R&D And Manufacturing
- IT Solutions
- Water & Waste Treatment Solutions
